It starts with one can. To feed the hungry. To lift the spirit. To change the world. Canstruction®, a charity committed to ending hunger, is using "one can" as a catalyst for change. Thousands of area residents access hunger relief programs supported by local food banks. Canstruction's first annual Massillon area design/build competition puts a visual spotlight on hunger while showcasing the Stark County design community's best and brightest.

Think you have what it takes to design and build a structure made of nothing more than canned food, ingenuity, and luck? Enter today. Get creative; help stop hunger. One can.

Complete rules and regulations will be emailed upon receipt of entry form. Teams are responsible for acquiring canned food.
