

MASSMU™

M A S S I L L O N M U S E U M

ART EDUCATION Winter 2012

Do the Mu! FREE Workshops, all ages

The first Saturday of every month drop in anytime between 12-2pm for a different art + history workshop taught by local artists or museum staff. Try something new! **No registration required, free for all ages.**

January 7th: Hoop Dance

Kick off the new year with some fun and unique fitness – learn how to hoop dance! Dancer Amy Melnyk of Creative Circle Studios will teach you how to dance using a hula-hoop, burn calories and have fun in a whole new way! Learn how Amy makes custom, weighted hoops to improve your workout.

February 4: Your New Look!

Have you seen our fabulous new fashion exhibition, “Another Look at the New Look”. Artist and art teacher Libby Bracy will help you make and take home some wearable art!

March 3: Fashion Design 101

KSU Fashion Alumni, Heather Haden, will lead you through the fashion designer’s process from start to finish, including concepts and sketching, to describe the creativity that transpires before clothing is constructed. Try your hand at sketching designs! Heather worked with Project Runway designers to help put together our fashion exhibition, “Another Look at the New Look”.

CLASSES, ages 16+

Intro to Digital Photography

Saturdays January 21, 28, February 4, 11, 18, 25, 10am-12pm (5 weeks)

Artist and University of Akron professor Jody Hawk will introduce students to the basics of digital photography using “point and shoot” cameras, the standard digital cameras most of us have. Learn how to take better pictures, improving composition and exposure without a manual control. Use of your own digital camera is required, and access to a laptop computer is highly recommended to get the most out of this class.

Class size limited to 12 , Cost: members/\$50, non-members/\$60

Intro to DSLR Photography

Saturdays January 21, 28, February 4, 11, 18, 25, 1pm-3pm (6 weeks)

Artist and University of Akron professor Jody Hawk will introduce students to the basics of DSLR (digital single lens reflex) photography, from taking better pictures and how to use different settings your camera. Use of your own DSLR camera is required.

Class size limited to 12 , Cost: members/\$50, non-members/\$60

Intro to Pottery Wheel

Saturdays January 21, 28, February 4, 11, 18, 10am-12pm (6 weeks)

One of our most popular classes! Artist Brittany Steigert will teach you how make a simple pot from start to finish, how to create different shapes of pots, along with an overview of the firing and glazing process. Clay and access to tools will be provided to complete all projects for class. NEW! Children ages 12 and over may sign up for this class accompanied by an adult who is also taking the class.

Class size limited to 4, Cost: members/\$70, non-members/\$80

Continuing Pottery Wheel

Saturdays January 21, 28, February 4, 11, 18, 1pm-3pm (5 weeks)

If you've taken Intro to Pottery Wheel or have prior experience on the wheel, Artist Brittany Steigert will teach you how to throw multiple pots to make a set, make lids, and create larger pieces, along with an overview of the firing and glazing process. This class is small to ensure plenty of one-on-one time with the instructor and access to your own wheel. Clay and access to tools will be provided to complete all projects for class. NEW! Children ages 12 and over may sign up for this class accompanied by an adult who is also taking the class.

Class size limited to 4, Cost: members/\$70, non-members/\$80

Open Studio Ceramics

Wednesday January 18, 25, February 1, 8, 15, 10am-4pm

5 weeks, cost: members/\$40, non-members/\$50

Wednesday February 22, 29, March 7, 14, 21, 10am-4pm

5 weeks, cost: members/\$40, non-members/\$50

Open to previous Mass Mu ceramics students only. Use the Ceramics room, tools, glazes and kilns to create your own works of art. Bring in your own clay to use or purchase a 25lb. bag for \$15. You will be assigned a storage tub for your clay and tools. All projects must be removed as completed. Works in progress must be clearly labeled. Class size is limited to ensure adequate room for work with individuals and ongoing classes.

Class size limited to 8, Cost: see above.

SNOW DAYS! Closures will be posted with local news sources, or call the Museum (330) 833-4061 to hear pre-recorded message, check website www.massillonmuseum.org, or Facebook page.

Arrangements will be made with your teacher to make up missed class time.

NEW! A La Carte Workshops, all ages

You set the time and date, and bring the students, we provide the supplies and staff! Bring your family or friends. Great for a birthday gift, clubs, family fun day, girl's night out, or any other group! Classes are open to everyone. Children (under the age of 16) must be accompanied by a guardian and both must register/participate in the workshop.

Making Memories: Baby & Child

Celebrate your baby or child with a ceramic handprint and footprint tile. A fun project for parents or guardians and child. Museum staff will lead you in creating a unique print using your children's hands and feet in clay. Personalize the tile with their name and other decorations. The tile will be fired and glazed and ready for pick up within a week. Makes a great decoration or gift.

Size: 5-12 students, Time: 1 hour, Cost: \$25 non-members, \$20 members

Painting

Learn the basics of painting! An artist will work with you to teach you the fundamentals of how to use water based paints (watercolors or acrylics) and brushes on canvas or paper. This workshop lasts 3 hours, subsequent workshops may be scheduled with your group if you'd like to produce consistent work over several weeks. All materials are included in the class.

Size: 5-12 students, Time: 3 hours, Cost: \$25 non-members, \$20 members

Mixed Media

Learn the basics of mixed media! An artist will teach you how to combine multiple artistic materials, including layering paint, collage, textiles and more, to create a work of art on canvas or board. This workshop lasts 3 hours, subsequent workshops may be scheduled with your group if you'd like to produce consistent work over several weeks. All materials are included in the class.

Size: 5-12 students, Time: 3 hours, Cost: \$25 non-members, \$20 members

Screenprinting

Learn the basics of screen printing! An artist will teach you the fundamentals of how to create designs, transfer them onto screens, and then use the screens with our screenprinting machine to print onto fabric, paper and more. This workshop lasts 2 hours, and subsequent workshops may be scheduled with your group if you'd like to produce your own screens and use our equipment. You will be given a selection of museum related designs to print on paper. If you'd like to print on any other materials (clothing, etc.) please bring those to class with you.

Size: 5-12 students, Time: 2 hours, Cost: \$25 non-members, \$20 members

Printmaking

Learn the basics of printmaking! Printmaking allows you to produce numerous copies from your original creation and can involve tracing, drawing, collaging, carving or engraving. An artist will teach you the fundamentals of making relief prints and collographs. This workshop lasts 3 hours, subsequent workshops may be scheduled with your group if you'd like to produce consistent work over several weeks. All materials are included in the class.

Size: 5-12 students, Time: 3 hours, Cost: \$25 non-members, \$20 members

Pottery Wheel

Learn the basics of working with the pottery wheel. As this is a very difficult process, you may or may not be able to produce a functional piece of pottery. However, everyone will take home a ceramic piece as a souvenir. This workshop lasts 3 hours, subsequent workshops may be scheduled with your group if you'd like to produce a work over several weeks, and regularly scheduled introductory and continuing wheel classes are also available. All materials are included in the class

Size: 4 students, Time: 3 hours, Cost: \$25 non-members, \$20 members

Drawing with Light, Photogram Darkroom Workshop

This class will experiment with the older photographic technology of photograms and sunprints. Students will learn darkroom chemistry and improve composition while learning about the simplest photography process. This workshop lasts 3 hours, subsequent workshops may be scheduled with your group if you'd like to produce a work over several weeks, and regularly scheduled introductory and continuing photography classes are also available. All materials are included in the class.

Size: 5-10 students, Time: 3 hours, Cost: \$25 non-members, \$20 members

Camera Obscura, Pinhole Camera

In this class students will experiment with a camera large enough to walk in. They will see how this technology functions by being inside the camera. After making an exposure in the "Dark Room" i.e. camera obscura, each student will make or use a pinhole camera to make negatives from photo sensitive paper and positive prints in the darkroom. This workshop lasts 3 hours, subsequent workshops may be scheduled with your group if you'd like to produce work over several weeks, and regularly scheduled introductory and continuing photography classes are also available. All materials are included in the class. *Size: 5-10 students, Time: 3 hours, Cost: \$25 non-members, \$20 members*
