

MASSMU™

MASSILLON MUSEUM SCOUT PROGRAMS

What is the Massillon Museum?

The Massillon Museum is an art and history museum in Massillon, Ohio. It has over 100,000 objects in its collection. It changes exhibitions several times a year and boasts 3 floors of art and history exhibitions along with classroom and meeting space.

Museum Admission & Tours

Admission to the Museum is FREE and tours with museum staff or volunteers are also FREE. Group visits and guided tours must be booked in advance. Donations are always appreciated and will support the Museum's Education Department.

Scout Badge & Advancement Programs

The Museum is a "one stop shop" for completing badge and advancement programs for all ages of girls and boys. Our programs provide you with the resources and experiences to meet many of your requirements. Programs last from 1-3 hours, depending on the size of the group and activities, and may include guided museum tours, lectures, multi-media presentations, object handling, arts and crafts. Troop leaders will be provided with a detailed curriculum for the advancement program based on the official Scout requirements. We may ask your group to do a little **homework** beforehand or to bring in items (favorite toy, photographs, news articles, etc.) depending on the requirements of the program. **Costs are per Scout** and include museum staff time, printed materials, and supplies. **A minimum of 7 Scouts is required to hold a Program, maximum 20 (unless otherwise noted).** Special arrangements may be made for larger groups.

A complete list of programs for boys and girls is on the back of this sheet.

"Night at the Museum!"

Spend a fun filled night at our museum! Enjoy a special tour, arts project, bedtime snack and watch a movie before settling down for the night in one of our galleries. We'll wake you up for breakfast bright and early the next morning! Spending the night away from home meets advancement requirements for younger Scouts and the museum is a safe and unique space for this experience. **A minimum of 15 Scouts are required.** Fee includes museum staff time, art supplies, snack & breakfast. Sleepovers are subject to museum availability.
COST: \$20 per Scout, \$10 per chaperone

2 for 1! Sleepovers can be coordinated with a Badge or Advancement Program - earn a badge while you spend the night! Call for price and availability.
